

SUMMER Suits

What we mean by SUMMER Suits are hot weather suits proper.

Unlined Mohairs and Serges

The time was when unlined coats had no shape--no built-up shoulders (and some clothiers we know sell that kind still) but our Mohair and Serge Coats, while the body is UNLINED, making it LIGHT and COOL, the shoulders are built up with that same care and graceful, shapely proportions as are our heavy, full tailored suits.

They are light
They are comfortable
They are built LIKE CLOTHES

Only in coat and trousers at \$10, \$12.50, \$15, \$20

100 pair light weight summer trousers, every pair new, every pair a good pattern, made in 1912. See them in our windows; original price \$3.50 to \$7.50 the pair, reduced \$1.50 to \$2.50 each.
